ABSENTED himſelf from the Subſcriber, on *Saturday* the 19th of Nov. BOB, a Mulatto Fellow; upwards of 6 Feet high; thin Viſage, knock-knee'd; a Scar on one of his Legs, occaſioned by the Cut of an Axe; his Hair lately cut off, aged about 45.—He was formerly the Property of Capt. *Akin*; is remarkably artful and ingenious; will endeavour to paſs for a free Man, and attempt to leave the Province, or get to the Back Parts, and follow the Buſineſs of a Tanner, Shoemaker, Saddler, Carpenter or Wheelwright.—All Perſons are hereby cautioned againſt him:—Whoever delivers him to the Warden of the Work-Houſe in Charles-Town, or to any of the Country Goals, ſhall be rewarded agreeable to the Caſe, by

Said Fellow went away in April, aſſumed the Name of Robert Akins; was committed to Salisbury Goal, in North-Carolina, from whence he was brought in September, for which he now carries Marks on his Back.

CHARLES-TOWN, NOVEMBER 28.

LAST Wednesday put back to this Port, from whence he failed for London on the 24th of October, Capt. Isaac Burton, in the Ship Sally; having met with a most violent Gale of Wind on the 2d of Nov. in Lat. 34. 59, Long. 67. 20, which continued all the next Day, when the Ship broached too, and he was obliged to cut away the Main and Mizen-Masts, and throw Part of the Cargo over-board, as both Pumps could not keep her free.—This is the second Misfortune Capt. Burton has met in one Voyage; for he failed from Jamaica for London in March last, was soon after driven ashore near Cape-Florida, then obliged to throw great Part of his Cargo over-board, to get the Ship off, and put in here in April: At a great Expence, and by selling Part of the remaining Cargo, he got the Ship completely refitted, and failed as above; with 374 Tierces of Rice, and 10,030 Pounds of Indico taken in here.

Last Saturday returned from London, in the Ship London, Isaac Motte, Esq; Master Motte, Miss Hannah Shubrick, youngest Daughter of Thomas Shubrick, Esq; Mr. Philip Neyle, Son of Sampson Neyle, Esq;—all Natives of this Colony. In the same Ship arrived Mr. and Mrs. Boss, and a Number of other Passengers.

Yesterday also arrived about 60 Passengers, in the Ship Anne, Capt. Miller, from Londonderry, to settle in this Colony.

The most material Intelligence received by Capt. Curling's Ship, is that of a sudden and very unexpected Dissolution of the Parliament on the 30th Day of September last.—Writs were immediately after issued, for electing a new one, returnable the 29th Instant,—*which, may the Sovereign Disposer of all Events grant, to be filled with wiser Heads and better Hearts, than the Majority of the last seemed to consist of,—with Men less venal, more friendly to the King, and more attached to the good Old English Constitution, and the true Interests of the British Nation.*

CHARLES-TOWN, DECEMBER 5.

OUR Advices by the Swallow Packet-Boat are, That the Scarborough Man of War, sent Express from Boston, on the 5th of Sept. last, by General Gage, arrived at Portsmouth, on the 30th of the same Month, the very Day that the Parliament was dissolved; but that the Dispatches sent by her to the Ministry, were received two Days before she got into that Port.—That the greatest Care imaginable was taken, to prevent any Communication between the People from the Shore and the Crew, not one of the latter being suffered to go out of the Ship, or to receive Visits from any of their Friends.—That the Eyes of the People in the City of London, and in many Parts of the Kingdom, began to open, and to see the Impropriety of the Conduct of the Ministry respecting the Americans, insomuch that the ministerial Candidates for Seats in the House of Commons are, in most Places, strenuously opposed—that the Prudence, Virtue, and Spirit of the Americans began to meet with Applause and Friends; but that if we should deviate from any of the Steps we are pursuing we are infallibly lost.—That upon the Close of the Poll for a new Lord-Mayor of London, October 6th, the Votes stood as follows:

JOHN WILKES, Esq; — — — —	1957
LORD MAYOR, — — — — —	1923
Sir J. ESDAILE, — — — — —	1473
Alderman KENNET, — — — —	1419

That the Candidates put in Nomination by the Livery of London, to represent the City in the ensuing Parliament are, the Hon. Frederick Bull, and Aldermen Crosby, Sawbridge, and Harley, who it was scarce doubted would be elected.—That the Alderman Wilkes and Sir John Glynn, were put up for Middlesex;—and Lords Mountmorres and Mahon for Westminster—all of whom had signed and published, written Engagements friendly to the Constitution.—Not having, at this Time, Room for more, we shall only add the following *Specimen* of what ministerial Men amongst us write in our Favour.

From the Craftsman, London, Oct. 1, 1774.

Copy of a Letter which the late Mr. W. K——Y *wrote to the Ministry.*

"Be not alarmed at the Resolves of the Colonies, which ought to be considered by you, as no other than waste Paper, and which will be of as little Consequence. I say this from the many Years Experience that I have had amongst them. I know them well, and that their Resolutions and Actions will be as much *united* as a ROPE OF SAND; for the Interest and Sentiments of all the Colonies, from Carolina to New-York inclusive, are directly opposite to those of New-England, as being ever jealous of each other, and therefore will never act in Concert. This was proved in 1766, in their Opposition to the Stamp-Act; they formed a Congress, which met at New York, and chose Ruggles for their Chairman, who absolutely refused to sign their Petition to the King, for at that very Time he corresponded with the Ministry here.

"The Agreement entered into in 1768 by the Colonies for a Non Importation of British Goods, was not strictly adhered to above three Days. This I affirm, as being then at New-York, and know THEY imported Goods from the West-Indies, and by every other Means they could devise. This made the other Colonies desperate, who renounced the solemn League and Covenant. From this Instance, Sir, we have a Right to judge what we have to expect from their present IDLE Resolution of Non-Importation.

"As to their present Congress, *it is begot in Convulsion, and will end in Confusion.* My Reasons for thinking so are, that Men, 1500 Miles asunder, have very different Interests; that there will be near a Hundred Deputies assembled, most of which being Merchants, Shopkeepers, and Attornies, the latter of them will certainly rule, for no Men are so true to their own Interest as Lawyers, for they will not stick at any Thing in prosecuting their Interest. The Ministry, Sir, have therefore, in my Opinion, only to signify their Pleasure to a few of the Leaders of that Set of Gentry, and the Effects of the Congress will be Distraction, Rancour, and Resentment against each other, and end with the Bostonians making Reparation and Submission, as required by Act of Parliament."

At the Anniversary Meeting of St. ANDREW'S CLUB on Wednesday last, the following Gentlemen were elected for the ensuing Year, viz.

The Hon. JOHN STUART, *President.*
DAVID DEAS, Esq. *Vice-President.*
JAMES SIMPSON, Esq. *Assistant.*
Mr. CHARLES JOHNSON, *Treasurer.*
JAMES BRISBANE, Esq. *Clerk.*

On Friday last arrived His Majesty's Packet-Boat Swallow, commanded by Captain Copeland: In which came Passenger, the Lady of the Hon. John Stuart, Superintendant of Indian Affairs, &c.

Yesterday returned from a Cruize, His Majesty's Sloop Tamar, commanded by Capt. Thornbrough.

☞ *We acknowledge the Receipt of a Number of Pieces, on different Subjects: but find it impossible at this Time to oblige those Correspondents.—Among others, we must request* JEREMIAH, *to have a little Patience, and wait till we can more conveniently spare him Room.*

PHILADELPHIA, NOVEMBER 16.

Extract of a Letter from Staunton, in Virginia, November 4, 1774.

"On the 10th of October our Army being encamped in the Fork of the Great Kanhawa, two Men went out early to hunt, but were fired upon by a Number of Indians, when one of them was killed, the other made his Escape, and brought the Intelligence to the Camp. Col. Lewis immediately ordered out 300 Men, who after marching about Three-fourths of a Mile, before Sunrise, were attacked by a Number (supposed to be from 800 to 1000) of desperate Savages: They soon made our Men retreat about a Quarter of a Mile, when a Reinforcement coming up, they continued firing in that Place 'till Noon; and were never above 20 Yards apart, often within 6, and sometimes close together, tomahawking one another. The Indians then began to fall back; but continued firing at a Distance 'till Night came on and parted them. Such a Battle with Indians, it is imagined, was never heard of before. We had upwards of 50 Men killed, and 90 wounded. Amongst the Slain were many brave Men, both Officers and Privates, and a Magistrate of this Place, Mr. Frog, a very worthy Gentleman, was also killed—so eager were the Indians for his Scalp, that one Man shot three of them over him, endeavouring by turns to scalp him. The Number of Indians killed cannot be ascertained, as they were continually carrying them off,

and throwing them into the River; but, from the Tracks of Blood, the Number muſt have been great.—Our Men got upwards of 20 Scalps, 80 Blankets, about 40 Guns, and a great many Tomahawks; and intended in a few Days to go over the River, to meet the Governor, 20 or 25 Miles from their Towns. The Indians the Governor lately concluded a Peace with, it is aſſured, were in this Battle. We ſuppoſe they have had the other Struggle before this Time, and are very impatient to know the Iſſue."

A Gentleman from Virginia, has favoured us with the following Liſt of Officers killed and wounded in the above Engagement, viz.

Killed. Col. Charles Lewis, Col. John Field; Capts. John Murray, Robert McClenagan, Samuel Wilſon, and James Ward; Lieutenant Hugh Allen; and Enſigns Baker and Candeff.

Wounded. Captains William Fleming (ſince dead) John Dickinſon, Thomas Blueford, and John Skidman, Lieutenants Goldman, Robinſon, Lard, and Vance.

44 Privates killed, and 79 wounded.

AND, to the Intent that the good Design of this Act may be effectually complied with, *Be it further Enacted*, by the Authority aforesaid, That every common Baker, and other Person, who shall make or bake for Sale, or any Ways expose to Sale, any of the Sorts of Bread, herein before-mentioned, shall, from and after the Expiration of the said *Thirty* Days next ensuing the passing of this Act, fairly imprint or mark, or cause to be fairly imprinted or marked, on every Loaf so by him or her made, or exposed to Sale, the Price of such Loaf, together with the initial Letters of the Name of the Baker thereof, whereby the said Baker and Price of such Bread may be distinctly known; and if any Baker or Bakers or other Person or Persons, baking or making such Bread for Sale and exposing the same to Sale, shall not observe the Assize ascertained by Virtue of this Act, or shall bake or make for Sale, or sell or expose to Sale, any soft White, Wheaten, or Houshould Bread, wanting the due Weight, or that shall not be Marked according to the Direction of this Act, or shall in any sort or way break or infringe any of the Matters or Things appointed by the same, he, she or they so doing, being thereof convicted by the Confession of the Party, or by the Oath of one or more credible Witness or Witnesses, before one or more Justices of the Peace of the County wherein the Offence shall be committed, shall for every such Offence forfeit the Sum of *Twenty Shillings* Proclamation Money, to be levied by way of Distress, upon the Goods and Chattels of every such Offender, by Warrant from the said Justice or Justices, before whom such Conviction shall be made, which Forfeiture shall be for the Use of and given to the Informer and Informers.

IV. And be it further Enacted, by the Authority aforesaid, That if any Baker or Seller of Bread, in this Act mentioned, shall put into any such Bread by him or her sold or exposed to Sale, any Mixture of any other Grain than what shall be absolutely necessary for the well making or baking thereof, to be judged of by the Justice or Justices trying and examining the same, every such Person so offending, shall for every such Offence, forfeit all such Bread so fraudulently mixed, for the Use of the Poor of the Parish where the Offence shall be commited, and also the Sum of *Twenty Shillings* Proclamation Money, for the Use of the Informer or Informers; to be had and recovered in the Manner and Form herein before mentioned. *Provided always*, That no Person shall be convicted in Manner aforesaid, for any of the before-mentioned Offences, unless the Prosecution in order to such Conviction, be commenced within *Three* Days next after the Offence committed.
